

The Mobile Unit is Here Today!

Cleveland Clinic Children's provides voluntary, comprehensive healthcare services to students from kindergarten through 12th grade.

We see patients for...

- › Complete physical examinations
- › Mental health consultation
- › Immunizations and health screenings
- › Routine labs
- › Adolescent reproductive health care
- › Cold and flu symptoms
- › Simple sprains and strains
- › Minor bumps and cuts
- › Seasonal allergies
- › Conjunctivitis (pink eye)
- › Skin rashes
- › Medication checks (evaluate & change, if appropriate)
- › And more!

In order to be seen, your parent or legal guardian must enroll you. Or visit clevelandclinicchildrens.org/regform.

We look forward to caring for you!
