

# School-Based Health Mobile Unit

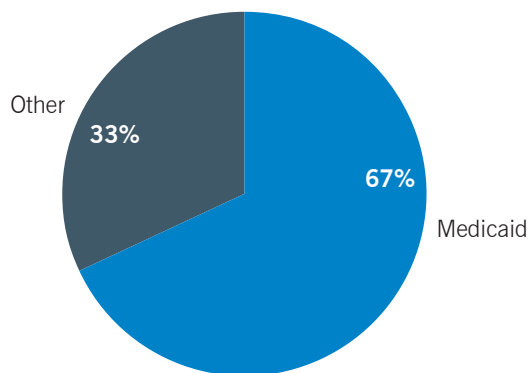

Launched November 2014

Cleveland Clinic Children's School-Based Health Center is a mobile, full-service pediatric office staffed with our healthcare professionals. We provide voluntary, comprehensive healthcare services to students in kindergarten through 12th grade. The mobile unit serves five school districts in the Cleveland area and five Step Forward Head Start preschools (formerly Council for Economic Opportunities).

## Mobile unit by the numbers

- 1,870 unique patients
- 3,316 completed visits
- 1,135 students currently enrolled

**Mobile Unit Payer Mix**

## Medical services provided in-person or virtually through telehealth

- Well child care (including sports physicals, immunizations and routine labs)
- Acute visits (minor illness or injury)
- Adolescent reproductive care
- Medication checks
- Primary care mental health (ADHD, anxiety, depression)
- Behavioral therapy with a pediatric psychologist
- And more!

## Community services offered

- Code ANA training and stock EpiPen® program
- Back to school fairs
- Maturation education talks
- Health and wellness education fairs

## Coming soon...

- Enhanced dental health services
- Expansion with a second mobile unit to serve the Cleveland Metropolitan School District
