

SCHOOL-BASED HEALTH

Kids shouldn't have to miss school.

- Your child can be examined, diagnosed and treated by healthcare providers while at school
- Students are evaluated in the school nurse's office

You shouldn't have to miss work.

- Schedule appointments through the school nurse
- Medicaid covers visits
- Private insurance coverage varies, copays and deductibles apply

Complete the enrollment forms today!

Use QR code or visit sctelehealth.org/schools to enroll your student today!

When asked, please enter parent/guardian first and last name.

If you do not have an email address, please use schoolbased@sctelehealth.org.

iPhone users, please hover your phone's camera over the QR code to enroll your student.
All non-iPhone users, please download a QR code scanner app.

*Contact your student's school nurse if you need assistance with completing the enrollment forms.
Virtual visits from home are also available. To schedule a virtual visit from home when school is in session,
call 843-792-0355 between 8am-4pm.*
